Submitted by Mario Bouchard to City of Dearborn officials**

**Demand for Retraction and Apology in Reference to Repeated and Ongoing
Slanders Committed by Mario and Nancy Bouchard**

Proper Issuance of Auto Repair Expense Payment

Dear Mrs. and Mr. Bouchard,

This demand for retraction and apology is submitted on behalf of Mr. Paul V. Sheridan. It has come to our attention that you have made several false and defamatory statements about him to City of Dearborn officials. The first reference is in the form of correspondence submitted to the City of Dearborn dated January 20, 2016. Because you submitted these written defamatory statements about Mr. Sheridan to Dearborn officials, these statements are and have been subject to further public dissemination under the Freedom of Information Act (Attachment 1).

It is imperative that you retract your letter of January 20, 2016, in its entirety, and issue a written apology to Mr. Sheridan to be shared with the City of Dearborn.

Your false and defamatory written statements include:

1. On January 20, 2016, you advised the City of Dearborn in writing that you have parked a vehicle provided to you by your employer in an alley easement for years and it has never prevented your neighbor from accessing his driveway.

This is known by you to be false. You are aware that the parking of this employer-provided vehicle, in combination with the illegal parking of your many personal vehicles, has frequently interfered with Mr. Sheridan's access to his property. Contrary to your verbiage that insinuates otherwise, this has occurred over several years. Your false portrayal of the facts, in connection with other false assertions in your correspondence, intentionally serves to paint Mr. Sheridan in a false light as a poor and unreasonable neighbor.

The Law Offices of Bryan Yaldou, PLLC
23000 Telegraph Road, Suite 5, Brownstown, MI 48134

2. On January 20, 2016, your allegation that you maintain the “*entire alley behind your property as none of the other neighbors that border it take care of it*” is known to be patently false:

You do not maintain the area. Your innuendo that Mr. Sheridan does not maintain this easement is also false, and portrays him as a poor neighbor, uninterested in maintaining his surroundings in a responsible order. Mr. Sheridan is an extremely fastidious maintainer of his property and surrounding areas, and did so long before you moved to Columbia Street. This is innate to his effort to maintain his status as a good neighbor, a person well thought of in the neighborhood, and by the City of Dearborn. Your false written portrayal of him purposely portrays him in a poor and unfavorable light to the general public.

3. In your secret submission to the City of January 20, 2016, which you purposely obscured from the scrutiny of Mr. Sheridan, you make the absurd claim, “*In the past he and we have even considered buying the alley from the city.*” You have never considered buying the alley, and in truth have continuously rebutted any overtures from Mr. Sheridan in that regard on the basis of “*financial hardship,*” the exact wording you yourself used in a prior paragraph as a basis to cajole the City into allowing dilution of the commercial vehicle parking waiver.

4. On January 20, 2016, you advised Dearborn City officials in writing:

“We do however; have a neighbor that we believe may be the one reporting the complaints. He has a history of having issues with the neighbors around him for years and he is the neighbor we share the alley with. We have tried to be friendly and on many occasions were, as was he. In the past he and we have even considered buying the alley from the city and we have shared common ground on a few other issues as well. But over the years our relationships has been a bumpy road of sorts. On public service days, when we have to park our vehicles in the alley behind our property overnight, he has mentioned being temporarily inconvenienced, although he can still come and go with ease. We are certainly not sure of this and don’t want to be the cause of any insult or slander but it just seems oddly coincidental and as a result did not ask his signature on the petition because we didn’t want to take a chance and upset him further.”

The Law Offices of Bryan Yaldou, PLLC

23000 Telegraph Road, Suite 5, Brownstown, MI 48134

This is patently false. Mr. Sheridan has never had any adverse issues with any of his neighbors,¹ and has, in fact, been the source of many kindnesses and favors for other neighbors, as well as yourself, and members of your family. These include free repair of vehicles for you and your family, the free repair and installation of personal computer equipment, whole-house hot water heaters, repeated repair and maintenance of your grounds-keeping equipment such as lawn mowers, snow blowers and lawn edgers.

Further, we have personally interviewed high level officials in the City of Dearborn, including those members of its Law Department. All have confirmed that they readily and immediately recognized that Mr. Sheridan was the person that you coyly identified as “neighbor” and “he” and “*he is the neighbor we share the alley with.*”

5. Also, as you are fully aware, you personally gave Mr. Sheridan access to the keys for the large employer work van that you had been illegally parking in the City easement. While you were out-of-town during July 2015, you requested that Mr. Sheridan move the van anticipating that routine police patrols resulted in re-ticketing. Although you never disclosed this truth to your former employer, this fact is known to several neighbors, as well as staff at the Image Hair Salon (See top photo, Attachment 2).
6. Your accusations, which portray Mr. Sheridan as an unapproachable neighbor, whom frequently makes trouble for you and others, are false and baseless. In truth, he is an unfailingly cooperative, helpful and generous individual, whom is well-known as such to both the neighbors and the City of Dearborn. You have purposely and publically portrayed him in a decidedly opposite manner, raising the need for a fulsome retraction by you.
7. In your secret submission to the City of Dearborn you stated, “*We are certainly not sure of this and don’t want to be the cause of any insult or slander...*” However, your recent behavior confirms that your alleged concerns about “insult or slander” have no credibility, and evidence exists that you fully intended the exact opposite. For example, in addition to the false written statements, it has been confirmed, through extensive interviews with witnesses, that you have repeatedly vocalized false and injurious statements to Mr. Sheridan’s reputation. These slanderous comments have been made to Dearborn officials, to neighbors, to existing and potential business associates, and to the general public. It has been confirmed that your slanders even include a local church

¹ As you know, the only adverse relationship that occurred was the result of your altercation with a neighbor on Oxford Street which concluded with your acquisition of a court-ordered Personal Protection Order (PPO) which, characteristically, was accommodated and funded by the wherewithal and generosity of Mr. Sheridan (Enclosure).

The Law Offices of Bryan Yaldou, PLLC
23000 Telegraph Road, Suite 5, Brownstown, MI 48134

parish. It is clear that you have no genuine concern about being “*the cause of any insult or slander...*” to our client.

8. In truth, it is you that is unapproachable. This was dramatically demonstrated by your abusive profanity and threats against a roofing crew. Your behavior of Tuesday, November 1, 2016 was witnessed by several neighbors, at least five members of the roofing crew, and Mr. Sheridan. Your penchant for causing trouble in the neighborhood included your initial telephone call to the Dearborn Police, insinuating that the crew was blocking access to the City easement, and that they refused to move their work truck. The latter too, was just another slanderous accusation (Incident Report 16-62887).

Further, your recent public diatribe that Mr. Sheridan is somehow responsible for loss of employment is also known by you to be completely false. In truth, it is widely known that you had made blatantly false verbal and written claims to City of Dearborn officials, that you were a “licensed electrician.” As you are fully aware, you are still not a “licensed electrician.”

These recent slanderous statements about the cause of your loss of employment have been made repeatedly by Mrs. Nancy Bouchard to Ms. Devon Maloney, co-proprietor of the Image Hair Salon, and have since been repeated in that setting to other salon employees, including but not limited to Ms. Rebecca Geney, Ms. Carol Christopher and Mr. Daniel Dykas. Again, you have no genuine concern about being “*the cause of any insult or slander...*” to our client.

There are many other falsehoods implied in your secret submission to the City of Dearborn of January 20, 2016, which involve, but are not limited to, your repeated failure to reimburse Mr. Sheridan in a timely and courteous manner. Your most recent abuse of Mr. Sheridan’s generosity involves repair expenses related to your daughter’s Volkswagen. Enclosed we are returning your improperly received and post-dated check of August 2, 2015. Mr. Sheridan was legally and morally correct in his hesitation to accept this payment. Please forward to this office a re-issued, properly dated check in the proper amount, consummating a debt you have owed Mr. Sheridan since July 2015 (See bottom photo, Attachment 2).

Mr. Sheridan has been a resident on Columbia Street in Dearborn for 34 years, and has never been subjected to false or defamatory statements such as those you have made about him. For example, your stated reason of January 20, 2016 to Dearborn City Council, that solicitation of Mr. Sheridan’s approval for a commercial vehicle parking waiver was avoided due to your claim that “*he has mentioned being temporarily inconvenienced*” is nothing more than a diversion:

You are fully aware that your vile behavior and threatening actions against Mr. Sheridan, for merely asking for reimbursement of your daughter’s Volkswagen repair expense, on the evening of July 30, 2015, were the true reasons you were unable to solicit his approval (Attachment 3).

Demand is hereby therefore made upon both of you to issue a full and complete retraction, in writing, and an apology to Mr. Sheridan for having made these false and defamatory statements. These statements have damaged Mr. Sheridan's reputation, as well as caused him great consternation that you would damage his reputation which he has worked for many, many years to earn, create and maintain, and which is of particular importance to him and the people he serves in his highly esteemed profession.

You must issue your retraction and apology in writing, and we must be in receipt of such within ten business days. Please forward this retraction letter to my attention at your earliest convenience, and if you have any questions do not hesitate to have your counsel call me directly.

Re: Appeal for alley parking exemption request/possible amendment for city ordinance sec. 18-356

Members of city council;

I am respectfully requesting to appear before the board and appeal a recent decision by Traffic /Safety Commission to deny a 24 hour parking permit for my work van to be parked in the alley behind my garage.

We have lived at this address since 1988, 15 years of which I have worked as a licensed electrician. For much of this time I have parked either a company van or a company step van in this exact spot without issue. This vehicle is absolutely critical to my livelihood and a highly valued compensation from my employer. It is a new 2015 van that is not unsightly in any way. Without the 24 hour availability of this vehicle I would no longer have transportation to and from Madison Heights, where I work. It is impossible to predict how often I get emergency calls or when. Having my work vehicle located miles away would hinder my response time to those who need these services.

Losing this vehicle will also cause me and my family financial hardship. We are not in a position to afford any additional vehicles and this company van also allows me to carry the necessary tools, equipment and bulky supplies required to perform my trade. Losing the van could potentially mean losing my job. The van is parked at the inside dead end of the alley directly behind my property and has never been in the way of alley maintenance nor has it ever prevented my neighbor from accessing his driveway.

We have always been very diligent on keeping the alley clear of leaves, cutting the grass and picking up trash that is dropped from time to time and packing down the snow. Although we live at the inside dead end of the alley, we maintain the entire alley as none of the other neighbors that boarder it take care of it. We care for it as we do our own property.

In 2004-5 my wife spoke with then Mayor Guido who assured us that our vehicles both personal and work related would be allowed to park in the alley without offence. Well, that was obviously years ago yet we have never had an issue until recently.

We just want to continue living and working as usual. We've received several warnings and a couple of tickets prior to finding a very temporary place to relocate the work van and we don't see a permanent solution other than receiving the variance being requested by this letter.

Every officer that came out to mention the ordinance agreed it was outdated and many of the neighbors that signed my petition were also surprised how much effort the city was putting into removing my van which was not at issue with any of them. After being told by officers that came out that there were several complaints, we find it difficult to understand this since every one of our neighbors wasn't bothered by the van being in the alley and they understood its presence there.

We do however; have a neighbor that we believe may be the one reporting the complaints. He has a history of having issues with the neighbors around him for years and he is the neighbor we share the alley with. We have tried to be friendly and on many occasions were, as was he. In the past he and we have even considered buying the alley from the city and we have shared common ground on a few other issues as well. But over the years our relationships has been a bumpy road of sorts. On public service days, when we have to park our vehicles in the alley behind our property overnight, he has mentioned being temporarily inconvenienced, although he can still come and go with ease. We are certainly not sure of this and don't want to be the cause of any insult or slander but it just seems oddly coincidental and as a result did not ask his signature on the petition because we didn't want to take a chance and upset him further.

We were eventually referred to Sgt. Steve White who told us "to do what we had to do and if we had any trouble to see him", but we hate to continue to involve him as we are sure he has many more important things to do. We tried covering the van with a tarp to hide the work related writing but were still asked to remove it from the alley.

Since our house and garage were built in 1942, the dimensions of the garage door will not allow for me to park my work van inside.

Please look into my request and find it in your heart to allow the permanent exemption for parking my work van in the alley. I have included all the required documentation to support my request and look forward to attending a hearing or providing whatever is additionally required regarding this matter.

Thank you for your time and consideration.

Respectfully,

Mario Bouchard

DISCUSSION PAGE

Five pages: These materials were returned/forwarded to Mr. Sheridan after he endured violent yelling and screaming across the fence from Mr. Mario G. Bouchard in response to the latter's reaction to the last two pages of this attachment.

First Page

Contains handwritten Bouchard note with the acronym **"WWJD."** A grotesque vane abuse of the Lord's name.

Second Page

A montage of items found taped to the side door of the Paul V. Sheridan residence at 22357 Columbia Street, Dearborn, MI. Includes meal replacement bar offered to Bouchard in-friendship by Mr. Sheridan.

Third Page

Telephone (cell) calls record to Bouchard residence; Sheridan attempting to politely inquire about belated payment of Volkswagen repair parts-only reimbursement (used on daughter's vehicle, see photo at-bottom of Attachment 2).

First two calls were attempted while all Bouchard vehicles were present, and with caller ID on (Saturday 7/25 and Monday 7/27). No answer.

A first attempt was made to 313-274-3979 on "Thursday 7/30," with the caller ID unmasked. No answer. Later, on that same day, the second attempt was answered but only when caller ID was masked.

After twenty minutes of listening to Mrs. Nancy Bouchard explanations about upcoming lawyer expenses to fund another 'Personal Protection Order' (PPO), budget issues, "piles of bills," etc., Mr. Sheridan did not demand immediate payment, but instead politely stated, regarding belated reimbursement:

"Please do the best you can."

Last Two Pages

Sheridan's polite reminder note was dropped off at Bouchard residence, and later discussed for "20 Min." See that entry on Page Three telephone call record of "2:33pm Thursday 7/30."

Mr. Bouchard refused to discuss, instead his response is highlighted by yelling and screaming and the **"WWJD"** note taped to Sheridan side door (See Page Two montage of this attachment).

This page added to courtesy copies and electronic version for clarity only.

This discussion page was not included in original which was delivered to addressees (due to their familiarity with these issues).

All other 'Five Pages' of this attachment were included with version delivered to addressees from legal counsel.

DAYCO's Automatic belt Tensioner features a patented "fat spring" design that's engineered to provide best operating performance in temperature variations. This reduces the risk of premature wear and failure due to high tension when a new belt is installed. It also maintains the risk of belt slip and slippage, poor accessory performance caused by low tension when the belt begins to stretch and wear. A Teflon strip, secured within the belt, helps to stretch and wear. The fat spring itself is coated to resist spring retraction.

The following statement made by Bouchard to the City of Dearborn:

We have lived at this address since 1988, 15 years of which I have worked as a licensed electrician.

As Bouchard is fully aware, he is not, and has never been a “licensed electrician.” The status of being licensed; the professional stature of claiming to be licensed requires extensive continuous employment experience and the passing of the State licensing exams.

Although attempted many times, Bouchard has never passed the Journeyman’s or Master’s Electrician exam in any state. In fact, it is his taking and re-taking of the Journeyman’s licensing exam that confirms that Bouchard is fully aware that the above screenshot is not merely a misstatement, but an outright fraud. The central purpose of passing the exam is to be licensed.

Since moving to Michigan as a citizen of Canada, Bouchard has repeatedly registered and re-registered merely as an apprentice (Registration #6413356). The apprentice registration process, available to anyone, exacts a fee of \$15.00. An apprentice is not a “licensed electrician.”

It is widely considered a breach of professional etiquette and integrity to claim such (as shown in screenshot above of Bouchard’s “15 years . . . licensed electrician” claim, submitted in-secret to the City).

Detailed true history of Bouchard, as provided by Electrical Administrative Board - Lansing, Michigan :

- February 2003: Original Michigan Apprentice Registration expired.
- February 2003 to 2005: No valid registrations at any level on file with State (~2 years).
- 2005: Apprentice re-registration, Electrical Administrative Board - Lansing, MI
- August 2007: Apprentice Registration expired.
- 2007 to 2011: Not even registered as an Apprentice (4 years)
- August 2011: Apprentice re-registration, EAB - Lansing, MI.
- 2011 to 2016: Continuous yearly Apprentice re-registrations, EAB - Lansing, MI.
- August 31, 2016: Apprentice Registration scheduled for expiration.
- August 16, 2016: Apprentice re-registration.

Bouchard’s current apprentice registration expires on 8/31/2017 (please see attached).

Bouchard’s assertion (red box above) of January 20, 2016 as submitted in-secret to Dearborn City Council regarding his license status is known by him and co-defendant Mrs. Nancy Bouchard to be false.

As is well-known, it is a crime to submit knowingly false information to any level of U.S. government.

Re: Appeal for alley parking exemption request/possible amendment for city ordinance sec. 18-356

Members of city council;

I am respectfully requesting to appear before the board and appeal a recent decision by Traffic /Safety Commission to deny a 24 hour parking permit for my work van to be parked in the alley behind my garage.

We have lived at this address since 1988, 15 years of which I have worked as a licensed electrician. For much of this time I have parked either a company van or a company step van in this exact spot without issue. This vehicle is absolutely critical to my livelihood and a highly valued compensation from my employer. It is a new 2015 van that is not unsightly in any way. Without the 24 hour availability of this vehicle I would no longer have transportation to and from Madison Heights, where I work. It is impossible to predict how often I get emergency calls or when. Having my work vehicle located miles away would hinder my response time to those who need these services.

Losing this vehicle will also cause me and my family financial hardship. We are not in a position to afford any additional vehicles and this company van also allows me to carry the necessary tools, equipment and bulky supplies required to perform my trade. Losing the van could potentially mean losing my job. The van is parked at the inside dead end of the alley directly behind my property and has never been in the way of alley maintenance nor has it ever prevented my neighbor from accessing his driveway.

We have always been very diligent on keeping the alley clear of leaves, cutting the grass and picking up trash that is dropped from time to time and packing down the snow. Although we live at the inside dead end of the alley, we maintain the entire alley as none of the other neighbors that boarder it take care of it. We care for it as we do our own property.

In 2004-5 my wife spoke with then Mayor Guido who assured us that our vehicles both personal and work related would be allowed to park in the alley without offence. Well, that was obviously years ago yet we have never had an issue until recently.

We just want to continue living and working as usual. We've received several warnings and a couple of tickets prior to finding a very temporary place to relocate the work van and we don't see a permanent solution other than receiving the variance being requested by this letter.

Every officer that came out to mention the ordinance agreed it was outdated and many of the neighbors that signed my petition were also surprised how much effort the city was putting into removing my van which was not at issue with any of them. After being told by officers that came out that there were several complaints, we find it difficult to understand this since every one of our neighbors wasn't bothered by the van being in the alley and they understood its presence there.

We do however; have a neighbor that we believe may be the one reporting the complaints. He has a history of having issues with the neighbors around him for years and he is the neighbor we share the alley with. We have tried to be friendly and on many occasions were, as was he. In the past he and we have even considered buying the alley from the city and we have shared common ground on a few other issues as well. But over the years our relationships has been a bumpy road of sorts. On public service days, when we have to park our vehicles in the alley behind our property overnight, he has mentioned being temporarily inconvenienced, although he can still come and go with ease. We are certainly not sure of this and don't want to be the cause of any insult or slander but it just seems oddly coincidental and as a result did not ask his signature on the petition because we didn't want to take a chance and upset him further.

We were eventually referred to Sgt. Steve White who told us "to do what we had to do and if we had any trouble to see him", but we hate to continue to involve him as we are sure he has many more important things to do. We tried covering the van with a tarp to hide the work related writing but were still asked to remove it from the alley.

Since our house and garage were built in 1942, the dimensions of the garage door will not allow for me to park my work van inside.

Please look into my request and find it in your heart to allow the permanent exemption for parking my work van in the alley. I have included all the required documentation to support my request and look forward to attending a hearing or providing whatever is additionally required regarding this matter.

Thank you for your time and consideration.

Respectfully,

Mario Bouchard
