I had the honor and pleasure to attend the naturalization gala of the immigrants from Nigeria; the Nache family. Mrs. Jummai Nache was a Medical Assistant at the University of Minnesota Health / Hospital System.

The naturalization event occurred on 15 August 2025 in downtown Minneapolis . . . a very short distance from the UMinn hospital where the surgery depicted on Pages 26 through 38 (of 43) occurred.

Shortly after the naturalization ceremony, President Trump issued his TruthSocial post of 1 September 2025. Shown on Page 4 (of 43), President Trump is receiving input regarding the modRNA poisons inflicted upon billions worldwide . . . which, of course, includes now-US citizen Mrs. Jummai Nache.

My *very brief* response to the president's TruthSocial post begins on Page 6, and then continues on Pages 9 through 15; please note Pfizer CEO Mr. Albert Bourla's non-response to **a very simple question** (Page 15 of 43). Please read Page 15 thoroughly . . . please do so in the context of the Pfizer "*Supply Agreement*" of 30 March 2021 in a country where the scourge of LIABILITY IMMUNITY is not available (See Tab 2, red arrow, page marked as "Page 21 of 46").

Please contact me at any time.

Cordially yours,

Paul V. Sheridan

Instructions

You MUST bring the completed questionnaire on Page 4 with you to the Naturalization Oath Ceremony, along with the documents listed above. You are required to give these items to an employee of USCIS at the oath ceremony.

Print clearly in black ink. Please read these instructions before answering the questions, which concern events that may have occurred since your interview. Answer the following questions on the day of your Naturalization Oath Ceremony, before you attend the ceremony. Please note that these questions do not refer to any events that happened *before* your naturalization interview. These questions refer to the time period *after* your interview at the USCIS office. For example, if you were married at the time of your interview and there has been no change in your marital status since your interview, select "NO" to **Item Number 1** below. If you traveled outside the United States *after* your interview, select "YES" to **Item Number 2** below. Additionally, if you answer "YES" to any of the questions, bring documents to support your answers. For example, if you married or divorced after your interview, bring your marriage certificate or divorce decree. If you traveled outside of the United States, bring travel related documents. If you were arrested after your interview, bring your arrest records and court dispositions. If you were serving in the military and have been discharged, bring your DD214 or other discharge papers.

After you have answered each question, print the date and the location (city and state) where you completed the questionnaire. The date when you completed the questionnaire should be the same as the date of your Naturalization Oath Ceremony. Also, sign the questionnaire and print your current address. If you used anyone as an interpreter to read the Instructions and questions on this form to you in a language in which you are fluent, the interpreter must fill out the section titled "Interpreter's Contact Information, Certification, and Signature," provide his or her name, the name and address of his or her business or organization (if any), his or her daytime telephone number, his or her mobile telephone number (if any), and his or her email address (if any). The interpreter must sign and date the form.
