Dear Mr. Rogan:

Enclosed are four items in hard-copy; exact duplicates of what was forwarded to those recipients (and the courtesy copies):

- (1) My letter to MR. ELON MUSK of 25 April 2025, while he was Special Advisor to the President for DOGE.
- (2) My letter to Elon Musk attorney Mr. Joel Kurtzberg of 6 August 2025, regarding the matter of X Corp versus Ms. Letitia James.
- (3) My letter of 30 September 2025 to PRESIDENT DONALD TRUMP regarding my ongoing **Request**, restated here:

**Please issue an Executive Order that revokes the LIABILITY IMMUNITY that was granted for the modRNA technology (COVID-19 “vaccine”); retroactive to the FDA EUA date of 11 December 2020.**

- (4) The enclosure to Item 3 above, the August 2025 book :  
***The Pfizer Papers : Pfizer's Crimes Against Humanity***

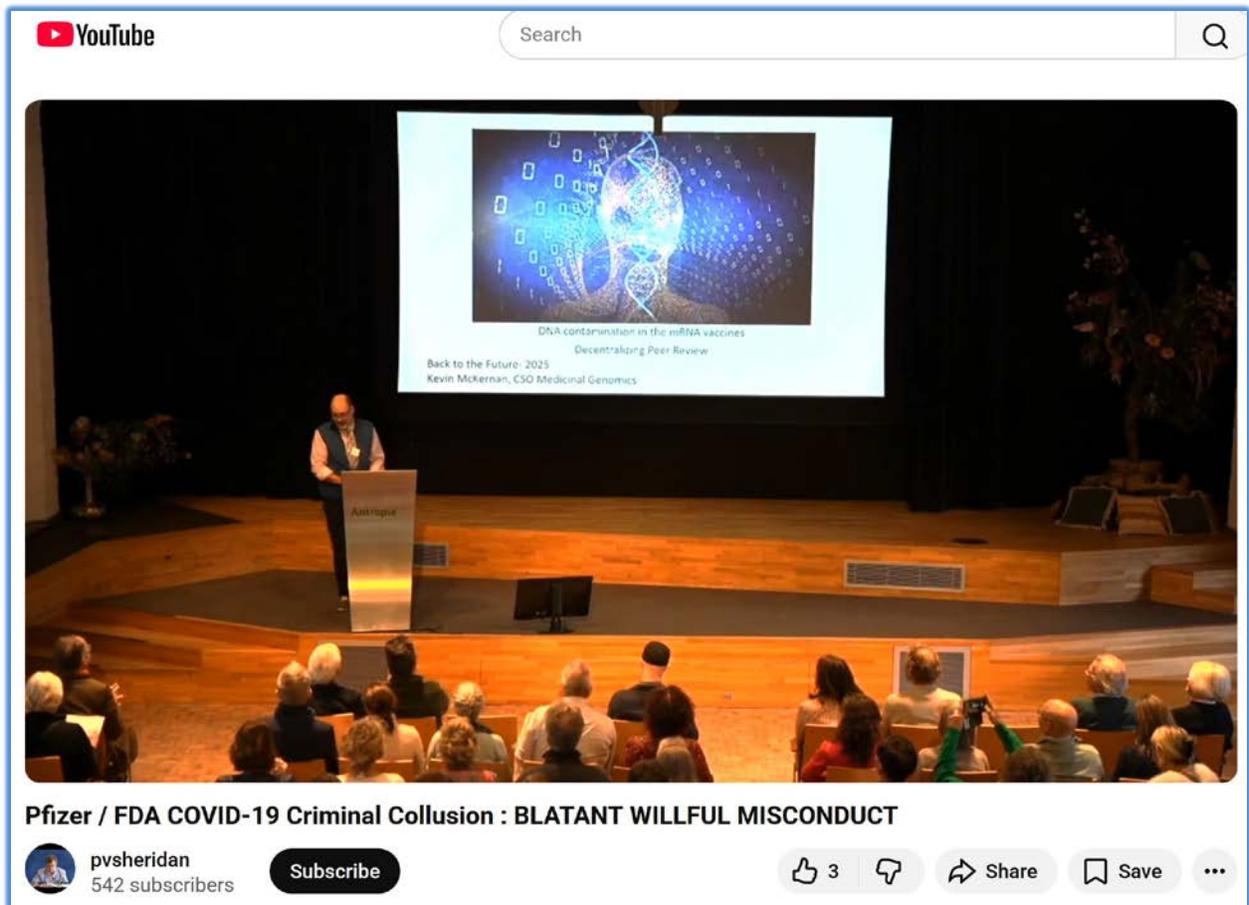

Enclosed are three items limited to the cover letters (complete versions included Items 3 and 4 above):

- (a) My letter of 23 October 2025 to DR. PETER NAVARRO, Senior Counselor to the President for Trade & Manufacturing
- (b) My letter of 28 October 2025 to DR. JOSEPH LADAPO, Surgeon General for the State of Florida
- (c) My letter of 3 November 2025 to FIRST LADY MELANIA TRUMP.
- (\*) Enclosed is the 2022 email exchange between myself and Weill-Cornell Medical College employee DR. JOHN MOORE. Note that Mr. Moore refuses to answer my simple questions; questions evoked directly from his media quotes, but instead launches into a vicious attack (ostensibly) upon then-Letitia James defendant Trump Organization CEO Mr. Donald Trump.

All, but especially that last item, are directly related to what follows. As partial context, in 2024 you interviewed Senator JD Vance. During that interview Mr. Vance brought-up (unsolicited) **the scourge of LIABILITY IMMUNITY.**

During the final distribution of Items 3 and 4 above, on 26 October 2025 Mr. Kevin McKernan CEO of CSO Medicinal Genomics presented detailed proof of criminal fraud committed by Pfizer Inc. From the COVID-19 “vaccine” trial formats and alleged data acquisition, to the FDA authorized “vaccine” versus what was actually injected into BILLIONS; **nothing-of-substance that Pfizer declared / promoted was trustworthy.**

I have uploaded Mr. McKernan’s lecture, including many background links.

A crucial element of his presentation is the emerging horror of exploding cancer events in the “vaccinated” *in all populations/age-groups*. **That cancer explosion included the former CEO of YouTube, Ms. Susan Wojcicki.**

Please watch Mr. McKernan’s report. **We need your help with my Request.**

On one level, this upload exposes PRELIMINARILY how my alma mater, Cornell University, has become deeply entangled in blatant criminality and encumbered with employee criminals. The link below avails you to an email exchange I had with Mr. John Moore of the Weill-Cornell Medical College in January 2022. As you will see, Moore has a very negative never-ending fetish regarding President Donald Trump.

The first link; my most recent of COVID-19 letters; this addressed to President Donald Trump:

<https://www.pvsheridan.com/sheridan2t...>

Under Sublink #1, at-bottom you will note my (ongoing) REQUEST, quote :

"Please issue an Executive Order that revokes the LIABILITY IMMUNITY that was granted for the modRNA technology ( COVID-19 "vaccine" ) ; retroactive to the FDA EUA date of 11 December 2020."

Noting Pages 42-43 of Sublink #6, all are now in-receipt, with additional receipts Florida Surgeon General Dr. Joseph Ladapo, and First Lady Melania Trump.

The fifty slides from the instant video (Pfizer / FDA COVID-19 Criminal Collusion : BLATANT WILLFUL MISCONDUCT) is available here:

<http://pvsheridan.com/kevin-mckernan2...>

Although all are EXTREMELY important, the lay person should concentrate on slides 3 thru 9 (especially 8), and then slide 48! (The latter discussed @31:50 ).

Returning to Mr. John Moore of Weill-Cornell Medical College:

some brief context is offered. I watched (live) the Pfizer / FDA Emergency Use Authorization meeting of Sunday 10 December 2020. The EUA was approved by the FDA for the Pfizer modRNA poison within a few hours; Monday morning 11 December 2020.

Immediately after the EUA, within a few days, 17 December 2020, Mr. Moore and Cornell University issued modRNA promotional quotations in the Cornell Daily Sun (CDS) a major public relations mouthpiece of the Cornell administration (Ms. Martha Pollack / Mr. Michael Kotlikoff):

<https://cornellsun.com/2020/12/17/the...>

After much erudition and upon re-reading that CDS article, I emailed a polite set of relevant on-point questions to Mr. Moore. You must scroll down to the bottom (of the next link) for my initiating email of 2 January 2022:

<https://www.pvsheridan.com/moore.pdf>

Relative to the instant Kevin McKernan video/slides, my Question #3 put to Mr. Moore is the most crucial.

Memo 1:

Prior to his libelous email response (to me), on 21 January 2021 Mr. Moore did ANOTHER pro-modRNA poison follow-up, this time a video interview with the vested interest at Science Writers in New York. In that session, among many others, he re-emphasized / re-iterated his anti-Trump fetish:

Returning to my 30 September 2025 letter to President Donald Trump:

<https://www.pvsheridan.com/sheridan2t...>

. . . shortly after that Moore video interview of 21 January 2021, the events depicted of Page 26-38 of Sublink #6 occurred . . . note the dates on the CDC Vaccination Card on Page 29 of 43.

Memo 2:

My LIABILITY IMMUNITY / willful misconduct interview of December 2021:

 • The COVID Crime Syndicate - LIABILITY IMMU...

Memo 3 :

Mr. McKernan mentions the modRNA induced cancers. A victim of that crime is discused here :

<https://www.pvsheridan.com/condolence...>

Memo 4 :

Thank you to Dr. Robert Malone for forwarding the instant video, and many thanks to Mr. Kevin McKernan and the good people of Antropia.
