In those jurisdictions where Pfizer continues to relish LIABILITY IMMUNITY, they made/make the following claim about their modRNA “vaccine” :

“95% safe & effective”

However, in those jurisdictions where LIABILITY IMMUNITY is not available, the Pfizer contracts are issued under strict confidentiality. Release of those secret contracts (post litigation losses); we sample from the Republic of South Africa (30 March 2021) :

Purchaser Acknowledgement.

Purchaser acknowledges that the Vaccine and materials related to the Vaccine, and their components and constituent materials are being rapidly developed due to the emergency circumstances of the COVID-19 pandemic and will continue to be studied after provision of the Vaccine to Purchaser under this Agreement. Purchaser further acknowledges that the long-term effects and efficacy of the Vaccine are not currently known and that there may be adverse effects of the Vaccine that are not currently known.
