Tucker Carlson / Cornell Professor of Chemistry David Collum
interview of 20 August 2025 :

Cornell Professor Discusses COVID Origins, Fauci "Killing People" (abridged)

@04:00 :

Collum: **What I hold against Pfizer is the "vaccine."**

Tucker: **Why, as an organic chemist, do you hold the "vaccine" against them?**

Collum : **Because I think it killed a lot of people, and they knew it.**

Dr. David Collum is a professor of organic chemistry at Cornell University, where he earned his BS in biology, and then a PhD in chemistry at Columbia. A former department chair and 20-year associate editor of The Journal of Organic Chemistry, Collum has consulted for major pharmaceutical companies including Merck, Pfizer, and Amgen.
