Demands : (i) ***Criminal Prosecution of Minnesota Democratic Governor and 2024 Democratic Vice Presidential Candidate Mr. Tim Walz for Treason***
 (ii) ***Criminal Prosecution of Democratic Minnesota Attorney General Mr. Keith Ellison for Treason***

Reference 1 : Letter of 24 March 2021 to Facebook CEO Mr. Mark Zuckerberg from Minnesota AG Mr. Keith Ellison – **NOT TO BE FORGOTTEN**

Reference 3 : My Letter of 28 May 2024 to Pfizer General Counsel Mr. Doug Lankler – ***Pfizer Contract Authenticity / Accuracy Confirmation Request***

Dear Governor Walz :

On *many* occasions I have presented my opinion regarding the 2024 presidential candidacy of Mr. Donald Trump :

*“Mr. Trump has a great chance of being re-elected in 2024. But, if he absolves himself from the COVID-19 crimes by telling the whole truth about the modRNA needles; **he will not only be a shoo-in**, he will be praised the world over, and his presidential legacy will be untarnished.”*

To his credit, Mr. Trump never endorsed a lunacy that you enforced: The mandating of an unproven, experimental modRNA “vaccine” that was known, prior to deployment, to have failed in every touted medical/therapeutic trial category.

My opinion, proposes the ethical and political redemption of the Trump legacy; such is a path that is NOT available to you or your state attorney general. **Specifically, both of you are directly responsible for the Subject.**

Page 3 of Reference 1 displays a signature that you directed and approved as governor :

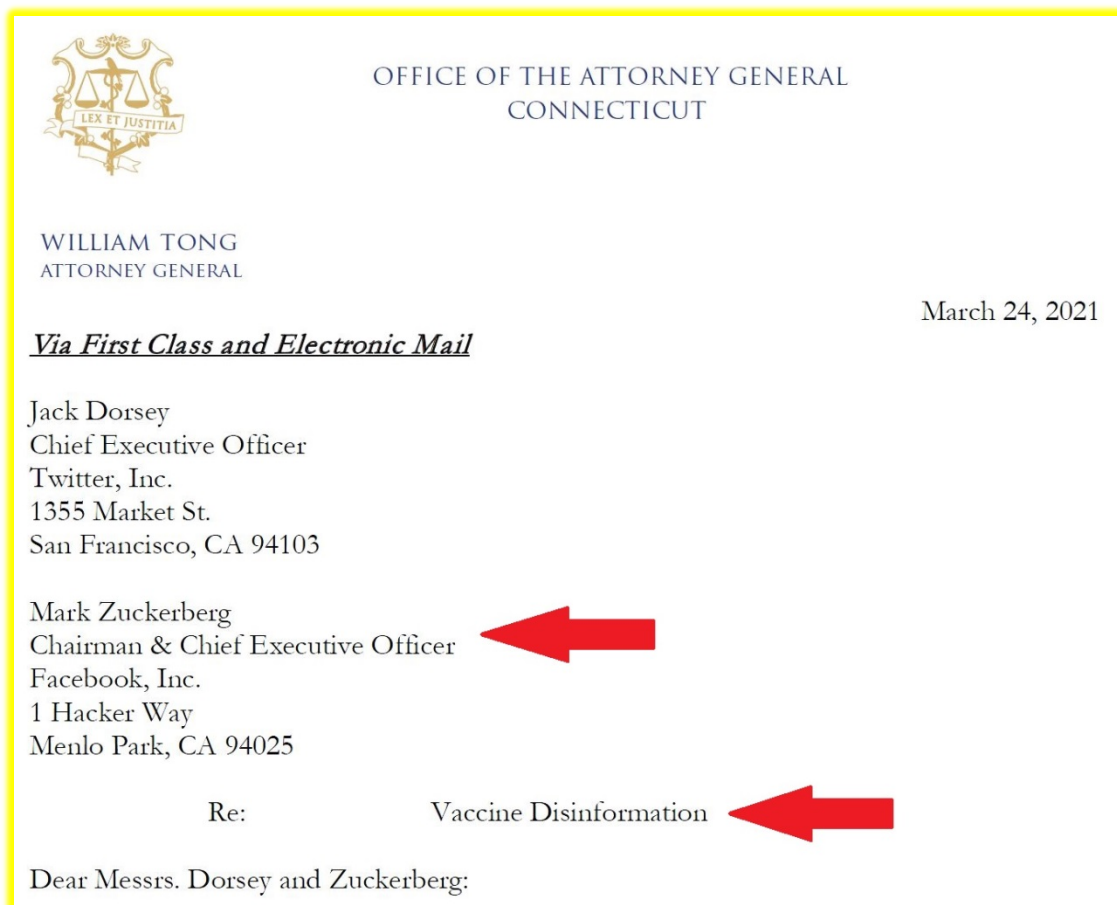

KEITH ELLISON
Attorney General of Minnesota

Twelve Democratic state attorneys general, at the behest of Mr. Albert Bourla of Pfizer Inc., signed a secretive letter. Presented with the veneer of concern for health & well-being, instead your purpose was a coy go-around; a subversion of the First Amendment.

Coached with the politically motivated and now-routine diversions about “disinformation,” your letter was welcomed by Mr. Mark Zuckerberg of Facebook. Hiding behind a private status, by March 2021 he was already deploying his personal or vested interest opinions as a guide for Facebook censorship. When “pressured” with the Constitutional implications of his COVID-19 censorship, Zuckerberg hid behind “health authorities” (SEE PAGE 17 BELOW). To maintain his subversion of the First Amendment regarding the truth about the modRNA “vaccine,” Mr. Zuckerberg needed, and likely solicited, the political protections of the Democratic state attorneys general . . . they and you have fooled no one (SEE PAGE 18 BELOW).

Indeed, your letter was coordinated with the treason of the Biden/Harris administration and its 2020 campaign promise to mandate the COVID-19 modRNA injections. It is time to remind the national electorate of your crimes . . . and your responsibility for the Subject :

Discussed next, two notorious signatories of the above First Amendment go-around :

Ms. Letitia James, state Attorney General of New York

Mr. Keith Ellison, state Attorney General of Minnesota

In addition to the above treason, Ms. Letitia James has also fooled no one; through lawfare she has orchestrated 2024 election interference with a fraudulent prosecution of the former president and current candidate Mr. Donald Trump :

During the 2020 presidential campaign Mr. Trump was opposed to the “vaccine” mandates. *In stark contrast* you and Mr. Ellison enforced an illegal employment mandate which was welcomed by BigPharma and its vested interests at the University of Minnesota. A dedicated employee at UMinn, the Subject of this letter is a former nurse named Mrs. Jummai Nache.

Responding to early (albeit secret) evidence of severe injury and death induced by the modRNA “vaccine,” you were compelled to obstruct disclosure of that evidence on social media platforms, deploying the adolescent machinations of “Vaccine Disinformation.”

In Reference 1 you provided needed political cover for Mr. Zuckerberg, who was already engaged in “vaccine” censorship . . . a censorship of truth that with deep irony eventually sealed-the-fate of another social media “vaccine” pundit . . . Ms. Susan Wojcicki of YouTube (SEE PAGES 9 TO 12 BELOW).

Treasonous culpability is attached to you and your direct-report, Minnesota Attorney General Mr. Keith Ellison, by *his* co-signing of the March 24 2021 letter to Mr. Zuckerberg :

But both of you are connectable to the crimes, of the University of Minnesota administrators and doctors, that led to the horror inflicted upon Mrs. Jummai Nache.

As now confirmed by Reference 2, in early 2021 the criminalities of the national “vaccine” mandates were already obscured from public scrutiny by the same treasonous social media subversion of the Constitution . . . **by the Biden/Harris White House.**

Dismissing his crocodile tears (Re: apology for enacting “content moderation” requested by the Biden/Harris), the protections of Reference 1 (the March 24 2021 letter) were **also** welcomed by Mr. Zuckerberg.

Had it not been for Congressman Jim Jordan; you, Mr. Ellison, Mr. Zuckerberg, Mr. Bourla, et al., would be planning the next globalist “pandemic” fraud . . . and a further dismantling of our Constitutional Republic. Mr. George Soros is proud of you (SEE PAGES 13-14 BELOW).

The above accusations of treason and crimes are documented history . . . **a history that is merely approximated by the repulsive Biden/Harris lies of 2021 :**

The New York Times

‘They’re Killing People’: Biden Denounces Social Media for Virus Disinformation

The president’s blunt statement capped weeks of frustration in the White House over the spread of vaccine disinformation on Facebook and other platforms.

 Give this article  

“They’re killing people,” President Biden said on Friday when asked what his message was to social media platforms on Covid-19 disinformation. Sarahbeth Maney/The New York Times

In addition to President Biden; you **and 2024 presidential candidate Ms. Kamala Harris** are mere operatives of the COVID-19 Crime Syndicate (See pages 20-22 below). In stark contrast, at no time has Mr. Trump “pressured” Meta to do or say or censor anything :

Genesis Prize Award Ceremony 2022 – Honoring Dr. Albert Bourla – Jerusalem June 29 2022

Mr. Bourla is motivated to parrot the same legal term, listed as the subject of Reference 1, your March 24 2021 letter to Mr. Zuckerberg : “*vaccine disinformation*” (SEE PAGE 2 ABOVE).

I agree completely with Mr. Bourla . . . people like him, who lied to the global population about the 'safety & efficacy' of his modRNA needles, are criminals . . . you and your attorney general are also criminals; all of you assured that lies were “spread” through the schemes of Reference 1.

In Reference 3, my letter to Pfizer General Counsel Mr. Doug Lankler, I asked for confirmation of the accuracy of his “vaccine” supply contracts . . . **especially contracts signed by governments that do not offer the sleaze of LIABILITY IMMUNITY**. He refuses to respond. As just one example, in the supply contract signed by South Africa, **Mr. Bourla secretly warned :**

Purchaser Acknowledgement.

Purchaser acknowledges that the Vaccine and materials related to the Vaccine, and their components and constituent materials are being rapidly developed due to the emergency circumstances of the COVID-19 pandemic and will continue to be studied after provision of the Vaccine to Purchaser under this Agreement. Purchaser further acknowledges that the long-term effects and efficacy of the Vaccine are not currently known and that there may be adverse effects of the Vaccine that are not currently known. Further, to the extent applicable, Purchaser acknowledges that the Product shall not be serialized.

“Purchaser further acknowledges that the long-term effects and efficacy of the Vaccine are not currently known” ??? “There may be adverse effects” ??? Is this what was publically asserted to America?

The signing of that supply contract was March 30 2021 . . . **a mere six days after Reference 1.**

There is no doubt that you and University of Minnesota administrators were fully aware of the true medical/therapeutic status of the Pfizer “vaccine” . . . unknown, unproven, and dangerous.

Memo : PERHAPS YOU NEED TO RETRACT YOUR SECOND PARAGRAPH ON PAGE 1 OF REFERENCE 1.

Susan has been at the forefront of censoring “medical misinformation” on the Google platform and also promoting the Covid vaccine to billions of people!

Since 2018 two prominent members of the Soros family have donated thousands of dollars to help Keith Ellison become or remain Minnesota's attorney general.

A central focus of Soros' meddling is on Page 3 above; Attorney General Mr. Keith Ellison.

A key New World Order theme shared by your office with Soros, the World Health Organization, the Bill Gates Foundation, and the United Nations; is the global mandating of the modRNA technology. That fact is *preambled* by Mr. Ellison in his Tweet of April 16 2020 :

Unbeknownst to Minnesota taxpayers, you conspired against them at the earliest possible time. You scurried to accommodate syndicates such as the University of Minnesota. **Long-prior to the Emergency Use Authorization (EUA) granted to Pfizer on December 11 2020 by the FDA, you enacted LIABILITY IMMUNITY!** Your umbrella was the “pandemic” promotions of Mr. Anthony Fauci, and his intention to mandate the modRNA needles (SEE PICTURE BELOW).

With the SARS-CoV-2 sequence already on-file, Pfizer began **secret trials** in January 2020. Ignorant of that fact, on March 13 2020 President Trump was cajoled by Mr. Fauci into the :

Proclamation on Declaring a National Emergency
Concerning the Novel Coronavirus Disease (COVID-19) Outbreak

Coordinated with the efforts of Mr. Fauci and the verbiage of his PREP Act, and immediately after the “emergency,” Minnesota drafted SF-4603 :

CRIMINAL, CIVIL, AND ADMINISTRATIVE IMMUNITY FOR HEALTH CARE SERVICES; COVID-19

Although not ratified until May 2020, SF-4603 gave LIABILITY IMMUNITY to Minnesota-based hospital administrators, medical doctors and drug suppliers. **But, as premised by the PREP Act, SF-4603 provided retroactivity to March 13 . . . the exact date of the Trump “emergency.”**

Similar to the “pandemic” lies of the COVID-19 Crime Syndicate which “justified” its long-sought EUA, SF-4603 was based on a fabrication; the notion that without legal shielding the Minnesota-based medical racketeers would be “*worried about being sued*” if they provided health care during “*extraordinary circumstances*” or in “*extraordinary places*.”

An extraordinary place? Is that evidentiary of the COVID-19 Crime Syndicate? At the Milken Institute on October 29 2019 (mere weeks before the “*extraordinary circumstances*” of Chinese bats spreading the Gain-of-Function spike protein laced SARS-CoV-2 virus), the ‘**Future of Health Summit**’ formally **re-announced** the COVID-19 syndicate’s “**surprise outbreak.**” Racketeers Mr. Michael Specter, Dr. Rick Bright and . . . of course . . . Mr. Anthony Fauci . . . were presenters :

Governor Tim Walz Confirmation of Traitor Status Unfit for Public Office – Part 1

Confirming that Reference 1 is merely an introduction to your loyalty to George Soros and the New World Order; during a 2022 interview with MSNBC, you bloviated :

“There's no guarantee to free speech on misinformation or hate speech, and especially around our democracy.”

A clear prognosis of cognitive dissonance . . . but your quote, as recent ad hocism tries to explain, is *not* exploited out-of-context, is *not* a misstatement, and is *not* an indication of ignorance.

You are fully aware that the First Amendment ABSOLUTELY guarantees free speech regardless of which agenda-driven dolt is deciding, at the moment, what defines “hate speech” or what defines “misinformation” . . . **or what you and Attorney General Ellison decided in Reference 1 was :**

“Vaccine Disinformation”

In the context of ‘willful misconduct’ (PAGE 12 ABOVE), during your enforcement of the modRNA mandate you never informed Minnesota citizens about LIABILITY IMMUNITY. Why is that?

We now review the vaccine disinformation spewed by **your elbow-rubbing cohort and his blatant lie about LIABILITY IMMUNITY** (a diversion in behalf of Mr. Albert Bourla, SEE PAGE 6 ABOVE) :

Governor Tim Walz Confirmation of Traitor Status **Unfit for Public Office – Part 2**

In my letter of 3 March 2022 I demanded that the Chief Medical Advisor to the President (Mr. Fauci) publically correct **the blatant vaccine disinformation** spewed by Mr. Biden (to the entire world) at his 2022 State of the Union Address :

“Repeal the liability shield that makes gun manufacturers the only industry in America that can’t be sued. The only one! ”

Similar to you, Mr. Biden is not mistaken . . .

CONCLUSION : **Your modRNA “Vaccine” Mandate : Your Assault
Upon the Health & Well-Being of Mrs. Jummai Nache**
Page 1 of 3

I had extensive interaction with your running mate when she was the Attorney General of California. Her failures to protect the legal rights of individuals, who had been victimized by criminal acts, was astounding . . . utterly unanticipated by the undersigned, and a far cry from the double-talking campaign rubbish about her being “*tough on crime.*” We now examine her more recent double-talk:

At the 2024 presidential debate of 11 September, Vice President Kamala Harris made her impassioned case **for the right of a woman to make health choices about her own body, without being threatened by the (medical) tyrants and their enforcement goons in government :**

Quote:

“The government, and Donald Trump certainly, should not be telling a woman what to do with her body.”

We now examine why that Harris quote is just more double-talk . . .

CONCLUSION : **Your modRNA “Vaccine” Mandate : Your Assault
Page 2 of 3 Upon the Health & Well-Being of Mrs. Jummai Nache**

Attachment 1 provides a photographic progression/history that summarizes the horror that you inflicted upon a Minnesota constituent after you threatened her with enforcement of your COVID-19 “vaccine” employment mandate.

Your mandate facilitated University of Minnesota medical tyrants (and their suitors in BigPharma) to dictate what happened to her body. Your intrusion occurred while you and Mr. Ellison engaged in treasonous subversion of her First Amendment. **With you as her governor, Mrs. Jummai Nache was not given free access to the information that would have established informed consent, she was not given a choice about :**

“ . . . what to do with her body.”

You, Mr. Walz, like your suitor Mr. Albert Bourla of Pfizer, are both blatantly guilty of willful misconduct.

CONCLUSION : **Your modRNA “Vaccine” Mandate : Your Assault
Page 3 of 3 Upon the Health & Well-Being of Mrs. Jummai Nache**

In the Presidential Debate, your running mate, Vice President Kamala Harris was very passionate about “**abortion rights**” . . . while stating the absurd accusation that it was Mr. Donald Trump that was “*telling a woman what to do with her body*”?! Not a mistake, more double-talk, another blatant lie. The context of the Harris lie is the historical fact that Mr. Trump did not support mandates, but her running mate Governor Tim Walz notoriously and forcefully and continues to do so!

Explain to Ms. Harris that, in addition to her faith convictions, the horrors you inflicted upon Mrs. Nache have eliminated, for the rest of her life, any chance that she can be concerned about “abortion rights.” As a result of the Pfizer modRNA poisons injected into her body, Mrs. Nache can no longer give birth.

Mr. Walz, I have no intention of allowing you to walk-away from Reference 1 and its implications. Attachment 5 contains my letter of 6 March 2023 to your Attorney General Mr. Keith Ellison. He has failed, **after over a year**, to respond; please direct him to do so.

Please feel free to contact me at any time.

Cordially,

Paul V. Sheridan
